1. Excuse me! That's a clean room! I'm afraid you can't go in there without headgear and protective clothing.
2. Well, smoking is not permitted anywhere inside the building, but there is a (designated) outdoor smoking area. I'll show you the way.
3. For your own safety, please make sure that you keep to the walkways marked in green. Otherwise you may be in danger of being hit by one of the forklifts.
