

Human dignity

1 Past experiences

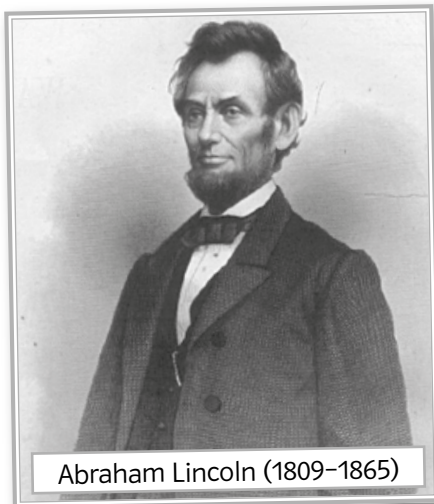

Can you think of any situations in which you felt you were not being treated with dignity and respect? What was it exactly you did not like? Talk about that with your neighbour.

2 Mini-projects: Famous people and dignity

- a) Look at the pictures of the four people below. Who do you recognize?
- b) What do you think: Who looks like he/she would be the kind of person to be connected to the subject of 'human dignity'? Give reasons why/why not.

- c) Divide up into groups, each group selecting one of the people above. Do research on your famous person. What did their public actions have to do with the subject of 'human dignity'? Prepare a short biographical report, explaining the dignity element in your famous person's actions.
- d) After listening to your classmates' presentations, are your thoughts now different from what you thought in 2 b)? Explain.
