Hang out with the penguins

1 There aren't many places in the world where you can get
close to penguins and even swim with them. But you can
at Boulders Beach, just 45 minutes away from Cape Town.
5 The penguin colony at Boulders Beach is one of only a few
in the world, and it has become very famous and popular.
You can sit on the beach with the penguins or swim with
them. You might even have to share your beach towel
with one of them, but you should not touch or feed them.
10 You can also see whales, sharks or dolphins in the bay.
Boulders Beach is part of the Table Mountain National
Park, where you can go hiking, take a cable car trip to the
top of the mountain or visit an old silver mine.

Describe the photo. Then write your opinion of it. (Lösungsvorschlag)

Two men are sitting in the street. One man has expensive clothes and looks rich. The other man is probably poor. He has a sign which says 'no money, no job'. The rich man has a cup of coffee and he is sharing his food with the other man. They are talking to each other. I think this is a good photo because a rich person is sharing something with someone who is poor.

Ziel 5: I can pass on information about languages in South Africa.

Die Sprachen Südafrikas

1 Südafrika wurde ca. 2200 v. Chr. zum ersten Mal von Menschen
verschiedener Stämme besiedelt und vor ungefähr 2000 Jahren ließen
sich die ersten schwarzen Nguni-Stämme an der Südspitze Afrikas nieder.
5 1652 richtete der Niederländer Jan van Riebeeck die erste Versorgungsstation für Schiffe auf
dem Kap der Guten Hoffnung und brachte die holländische Sprache nach Südafrika. Aus
ihr entwickelte sich das Afrikaans. Mit der Zeit siedelten sich Menschen aus verschiedenen
Ländern rund um das Kap an, aus Portugal, Holland, Großbritannien und Deutschland. Sie
importierten Sklaven aus Ostafrika, die ebenfalls ihre eigenen Sprachen mitbrachten. Als
10 Südafrika 1902 zur britischen Kolonie wurde, wurde Englisch zur meist genutzten Sprache in
den Medien und in der Politik. Die meisten Südafrikaner verstehen Englisch, obwohl nur ca.
9,6% Englisch als Erstsprache sprechen. Die meisten Einwohner Südafrikas sprechen
Zulu (22,7%), Xhosa (16%) oder Afrikaans (13,5%) Heute gibt es Zeitungen, Radiosendungen
und Fernsehprogramme in allen elf Sprachen des Landes.

You have found this information about the languages of South Africa in a history book. You would like to use this text for a presentation in your English lesson. Write the most important information in English.

(Lösungsvorschlag)

Many people have settled in South Africa over the centuries. African tribes came about 2,200 years ago. People from Holland, Portugal, Great Britain and Germany settled there later. They brought slaves from East Africa. In 1902 South Africa became a British colony so English became the most important language. Most South Africans speak other languages too, for example Zulu, Xhosa or Afrikaans. There are newspapers and radio and TV programmes in all eleven languages.
