## Hang out with the penguins

1 There aren't many places in the world where you can get  
close to penguins and even swim with them. But you can  
at Boulders Beach, just 45 minutes away from Cape Town.  
5 The penguin colony at Boulders Beach is one of only a few  
in the world, and it has become a famous and popular  
tourist destination. You can sit on the beach with the  
penguins or swim with them. You might even have to  
share your beach towel with one of them, but you should  
not touch or feed them. You can also see whales, sharks or  
10 dolphins in the bay. Boulders Beach is part of the Table  
Mountain National Park where you can go hiking, take a  
cable car trip to the top of the mountain or visit an old  
silver mine.

Describe the photo. Then write your opinion of it. (Lösungsvorschlag)

Two men are sitting in the street. One man has expensive clothes and looks rich. The other man is homeless. He has a sign which says 'no money, no job'. The rich man has a cup of coffee and he is sharing his food with the homeless man. They are talking to each other. I think this is a good photo because a rich person is sharing something with an underprivileged person.

Ziel 5: I can pass on information about languages in South Africa.

### Die Sprachen Südafrikas

1 Südafrika wurde ca. 2200 v. Chr. zum ersten Mal von Menschen  
 verschiedener Stämme besiedelt und vor ungefähr 2000 Jahren ließen  
 sich die ersten schwarzen Nguni-Stämme an der Südspitze Afrikas nieder.  
 5 1652 richtete der Niederländer Jan van Riebeeck die erste Versorgungsstation für Schiffe  
 auf dem Kap der Guten Hoffnung und brachte die holländische Sprache nach Südafrika.  
 Aus ihr entwickelte sich das Afrikaans. Mit der Zeit siedelten sich Menschen aus  
 verschiedenen Ländern rund um das Kap an, aus Portugal, Holland, Großbritannien und  
 Deutschland. Sie importierten Sklaven aus Ostafrika, die ebenfalls ihre eigenen Sprachen  
 10 mitbrachten. Als Südafrika 1902 zur britischen Kolonie wurde, wurde Englisch zur meist  
 genutzten Sprache in den Medien und in der Politik. Die meisten Südafrikaner verstehen  
 Englisch, obwohl nur ca. 9,6% Englisch als Erstsprache sprechen. Die meisten Einwohner  
 Südafrikas sprechen isiZulu (22,7%), isiXhosa (16%) oder Afrikaans (13,5%) Heute gibt es  
 Zeitungen, Radiosendungen und Fernsehprogramme in allen 11 offiziellen Sprachen des  
 Landes.

You have found this information about the languages of South Africa in a history book. You would like to use this text for a presentation in your English lesson. Write down the most important information in English. (Lösungsvorschlag)

*Different people have settled in South Africa over the centuries. African tribes came about 2,000 years ago. People from Holland, Portugal, Great Britain and Germany settled there later. They brought slaves vom East Africa. In 1902 South Africa became a British colony. English became the most important language. Most South Africans speak other languages than English too, for example isiZulu, isiXhosa or Afrikaans. There are newspapers and radio and TV programmes in all eleven official languages.*
