Hang out with the penguins

1 There aren't many places in the world where you can get
near to penguins and even swim with them. But you can
at Boulders Beach, just 45 minutes away from Cape Town.

few in the world, and it has become a very famous and
popular tourist destination. You can sit on the beach with
the penguins or swim with them. You might even have to
share your beach towel with one of them, but you should
not touch or feed them. You can also see whales, sharks or
