Northern Ireland – the happiest place in the British Isles!

1 In 2015 the inhabitants of the British Isles answered questions about their lives. The results showed that the inhabitants of Northern Ireland were happier than any other place in the UK and Ireland. Why was that? Many people were surprised because the Troubles in Northern Ireland were a problem for many years.

During the Troubles lots of people didn't have a job and more than 3,000 people died. "People are happy that they survived the Troubles," a woman said. "There have always been lots of problems in Ireland, so when people have lots to eat and a job, they are happy. It's a great place to live. We have

beautiful countryside – the sea and mountains – lots to do and great people!"

E-MAIL

Dear Tom,
I'm so fed up. My mum says that I can't go with you all on holiday. She says I have to go with them to Ireland. They're going to travel around and stay in B&Bs. It will be so boring! What can I do? I want to go camping with you! My mum says we're too young. She knows that we won't be far from your aunt's house. Please help.
See you, Harry

That's bad news! You should talk to your dad. I'm sure he won't worry so much. Maybe he could talk to your mum. I'll call my aunt. She can talk to your parents too. Be positive and wait to hear from me. See you soon, Tom
