 Dolores: Hi! Yes, I was born in Mexico in 1999. I immigrated to the US with my parents and my two brothers in 2007. We left Mexico because we were very poor. My dad got a job at his cousin's company in New York, so we moved to the USA.
 Interviewer: Did you like your new life in the USA?
 Dolores: No, at first I felt very lonely. I didn't have any friends and my English wasn't very good. Then I started to help at an animal shelter after school. I met Allyson there. She is my best friend now. She helped me a lot.
