### Come to the South!

Come and visit the southern states of the USA on your next vacation. There is so much to see and do! You can visit wildlife parks, beautiful beaches and swamps in Florida. Or you can take a boat trip along the spectacular Mississippi river. If you love music, you will enjoy a visit to Nashville, the home of country music, or a visit to the jazz clubs of New Orleans. The region is full of history from stories of the early immigrants to the lives of the African Americans who came here as slaves and had a great influence on the culture of the area. Everywhere you go you can enjoy delicious southern food.

Complete the sentences.

1. You can visit wildlife parks, beautiful beaches and swamps in Florida.

**Religion in the South**

- 1 Religion plays an important role in the lives of many Americans, especially in the southern states. Although there is no official US religion and there are people of many
- 5 different religions, the majority of Americans say they are Christian. Because of this Easter and Christmas are big celebrations. In the South most people will go to church on these holidays, and many people go to church every Sunday too. Religion also plays an important
- 10 role in the social life of many people. Regular barbecues, sports games and parties are organised by local churches.
