

Figuren legen

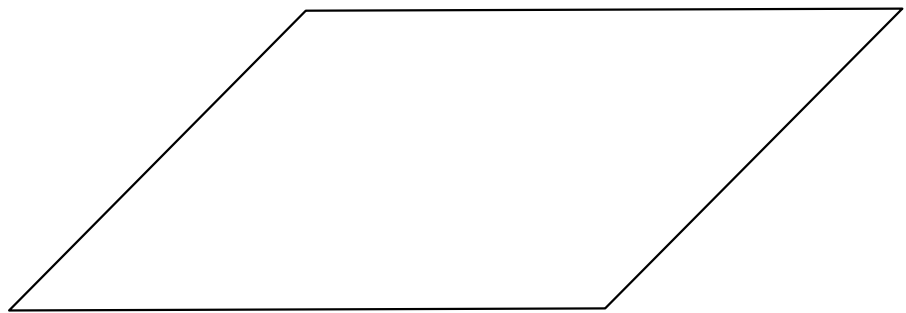

Material: Schere, sieben Teile des Tangrams, Lineal

1 Schneide das Tangram-Spiel aus.

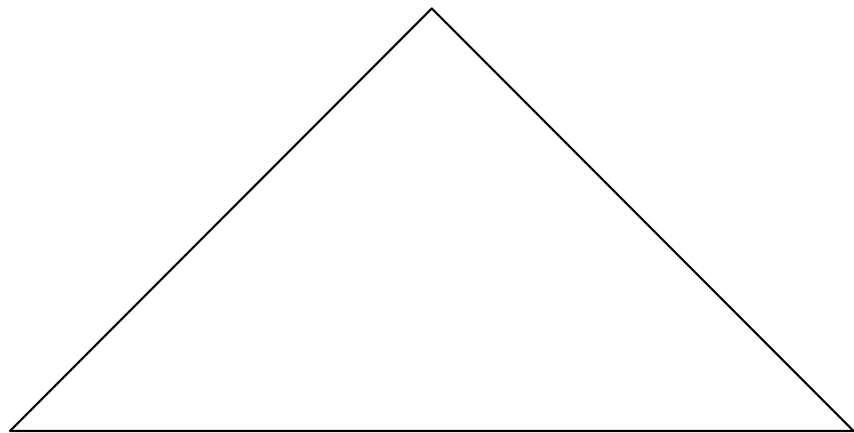

Lege mit den sieben Teilen

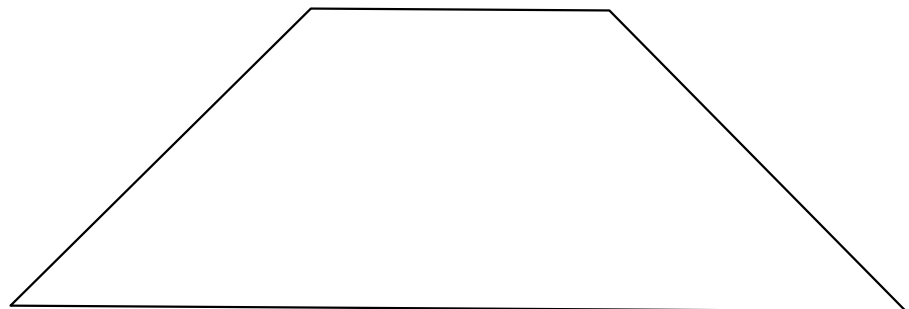

a) ein Parallelogramm.

b) ein Dreieck.

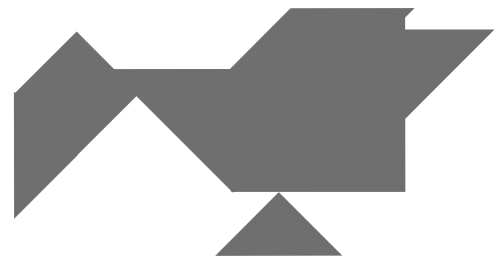

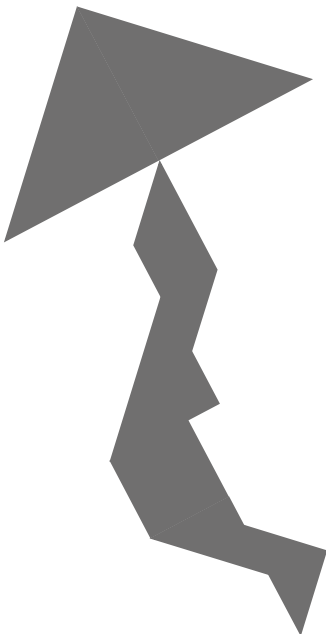

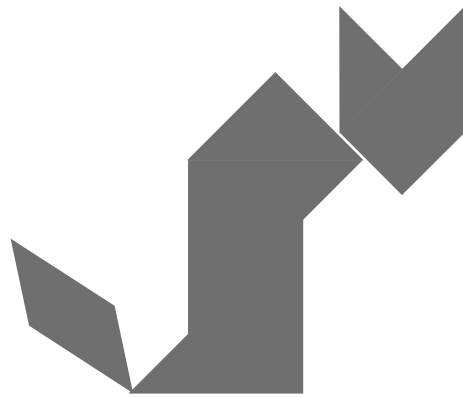

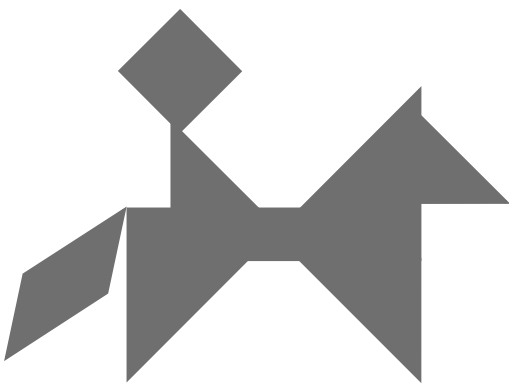

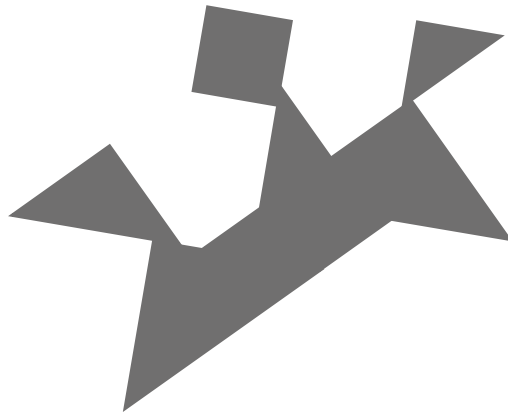

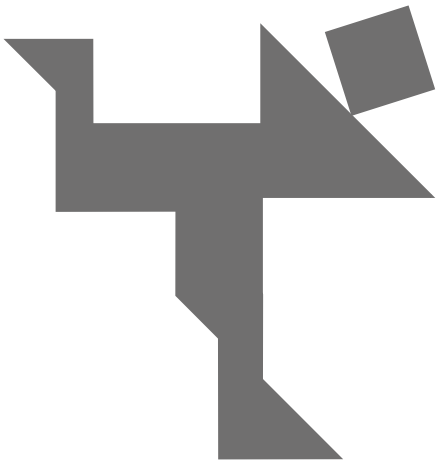

c) ein Trapez.

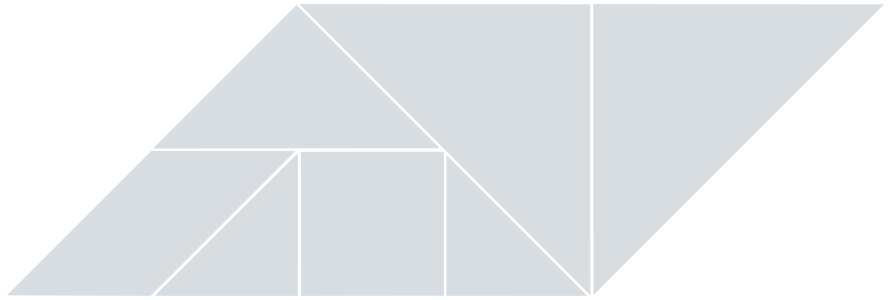

d) Was haben alle Figuren gemeinsam?

2 Wähle vier Figuren von unten und versuche sie aus den sieben Teilen des Tangrams zusammenzusetzen. Zeichne dann die Lösungslinien in die kleine Figur.

Figuren legen – Lösung

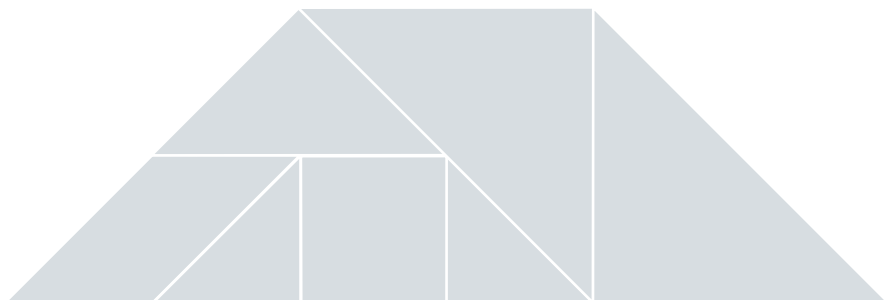

a) Parallelogramm.

b) Dreieck.

c) Trapez.

d) Alle Figuren haben denselben Flächeninhalt.
