

Werben für Produkte

1. We offer a 10-year warranty. Most of our competitors offer 7 years at the most.
2. Our product is about 20% more expensive than the competition's. On the other hand, our product requires less frequent servicing.
3. Just 12 months ago, nobody except us believed that our new manufacturing methods would make it, but we have in fact created a new standard.
4. Our customers always receive first-class support, by phone, e-mail and, of course, on site.
