3 Scotland and England

 <https://www.youtube.com/watch?v=1gqZijEYRhI>

- a) *Scotland has been a part of the UK since 1707, but the relationship between Scotland and England has often been difficult.*

Read the following sentences. Then watch the video until 01:04 and tick ✓ the correct boxes.

	true	false
1. In 2014 the Scots were asked in a referendum if they wanted Scotland to become independent or stay part of the UK. 55% were against independence.	<input checked="" type="checkbox"/>	<input type="checkbox"/>
2. The referendum didn't change anything in Scotland. It was the end of Scotland's dream of independence.	<input type="checkbox"/>	<input checked="" type="checkbox"/>
3. The main reason why most Scots were against independence was the good relationship with England.	<input type="checkbox"/>	<input checked="" type="checkbox"/>
4. When the UK voted to leave the EU in 2016 (Brexit), most Scots weren't happy because they wanted to stay part of the EU.	<input checked="" type="checkbox"/>	<input type="checkbox"/>
5. Brexit means that Scotland will become independent of England and the UK.	<input type="checkbox"/>	<input checked="" type="checkbox"/>

- b) Watch the video again until 01:04 and correct the false answers from a).

2. The referendum was the start of something new; it caused a change in Scottish

politics. 3. The main reason why most Scottish people were against independence

was fear (e.g. that the economy wasn't strong enough on its own, that jobs or

the relationship with the EU were in danger). 5. For most Scots, Brexit meant

that their country was taken out of the EU against their will.

4 Questions for a Scottish friend

 Choose one of these tasks. You can use the information from above and look for more on the internet.

- a) Write an e-mail to a new Scottish online friend. Ask questions about Scotland. Then exchange the e-mail with a partner and answer each other's questions.
- b) Collect questions about Scotland and take notes for the answers. Practise and film an interview together: Partner A is a Scottish student and partner B asks questions.
