MY BLOG

1 Today I want to tell you about birthday food. I wanted to make something special for my friend Jack. But he doesn't like sweets and he's allergic to nuts. So a cake wasn't a good idea. Then I thought: Why not make a birthday salad

5 for his party on Friday?
Jack is an Arsenal fan, and the team's colours are red and white. So I made a red and white salad with tomatoes and white cheese. (It sounds funny, I know!) I wanted to take lots of photos of my salad before I went to the party. (I'm

10 in Mrs Watson's photo club. She thinks my food photos are great.)
Well, everyone at the party loved my salad. They ate it all in 10 minutes! And I didn't get any of it! ☹ But I have the photos. (All my fans say my photos are the best part of my

15 blog. Maybe I'll start a photo blog. What do you think?)
