

E Exercise 1 (Track 10)

Good evening. My name is Jonathan Hartley from Biolink Ltd, Bristol. It's Tuesday, 7 June, 5 pm. I did want to speak rather urgently to Dr Werner Schwarten. I've been trying for a couple of days now to get hold of him. It's about finalising the funding for a new series of clinical trials for our new Alzheimers drug Cerebro. I would be grateful if he would ring me first thing tomorrow on 0044 1273 6752324 or alternatively on my mobile: 0668 222 34761. Thank you. This was Jonathan Hartley from Biolink Ltd, Bristol.
