

Rising anger of Canada's First Nations over living conditions

Tasks (refer to Mock exam text 5)

1. Outline the living conditions of most indigenous people in Canada as described in the text.
2. Analyse the cartoon. Relate it to the text.
3. Not all native Canadians favour affirmative action by the state. In an interview on Spence's action a member of her tribe claimed: "State funded assistance does more harm than good as it keeps my people in eternal dependence."

Discuss this statement.
