

## Globalisation and global challenges

**Tasks** (refer to Mock exam text 1)

Work through the following assignments using your own words as far as possible.

1. Summarise Bjørn Lomborg's view of global warming and the main arguments he presents.
2. Analyse the cartoon in detail. Compare the cartoonist's message with Lomborg's attitude to global warming.
3. Choose one of the following tasks:
  - a) Comment on the standpoints presented in the text and the cartoon. In doing so, set up your own priorities for the world's most pressing global issues and discuss ways of dealing with them.
  - b) You are a major politician and you are speaking on global warming at an international conference. Give your speech, in which you discuss and prioritise a number of global challenges.
  - c) "We didn't inherit the Earth from our parents. We have borrowed it from our children. We have all borrowed it and we are all going to hand it back."  
(Stephen Croall, William Rankin, 1992) Give your personal opinion.
