A class quiz: California (1)

What does your class know about California, the Gold Rush and Hollywood? For this quiz you need:
- a quiz master
- a quiz master's assistant
- three teams
- the questions for the quiz master (2)

The rules
1. Team A starts. A speaker from the team chooses a category[1] and the number of points.
2. The quiz master reads out the question. The team has ten seconds to answer the question. If the answer is right, the team wins the number of points shown.
3. Team B comes next. The teams and the team speakers take turns[2].

Role cards:

Quiz master	Quiz master's assistant
1. You read the rules out loud.	1. You cross out the categories and points.
2. You read the questions.	2. You help with new words.
3. You check the answers.	3. You write down the number of points the teams have won.

Categories and points:

California	Trends	Gold Rush	Child Labour	Hollywood
50	50	50	50	50
100	100	100	100	100
150	150	150	150	150
200	200	200	200	200

Points:

Rounds	Team A	Team B	Team C
1			
2			
3			
4			
5			
Total:	points	points	points

The winner is Team _____.

---

[1] category – *Kategorie*; [2] to take turns – *sich abwechseln*
