„The United States of America“

Talking about a region

Which region?

How many people live in the region/visit the region?

thousands millions billions

What does it look like?

mountains

beach

countryside

town

city

coastline

What can you do there?

museum

amusement park

zoo

church

skiing

shopping

hiking

sightseeing

It's in the ... of ...
 It's near the ...
 There are ...
 There is ...

... people live in the region/visit the region.
 I like it because ...
 It's nice/quiet/busy/beautiful/...

6
 In some parts of the American south there are swamps where alligators live.

5
 Most parts of the Rocky Mountains are protected. Lots of tourists enjoy the beautiful landscape.

4
 Denali (Mt. McKinley) is the highest mountain in Alaska and North America (6,190m).

3
 Hawaii is a surfer's paradise with perfect waves and white and black beaches.

2
 The Midwest is a huge open area with lots of corn and soy bean fields.

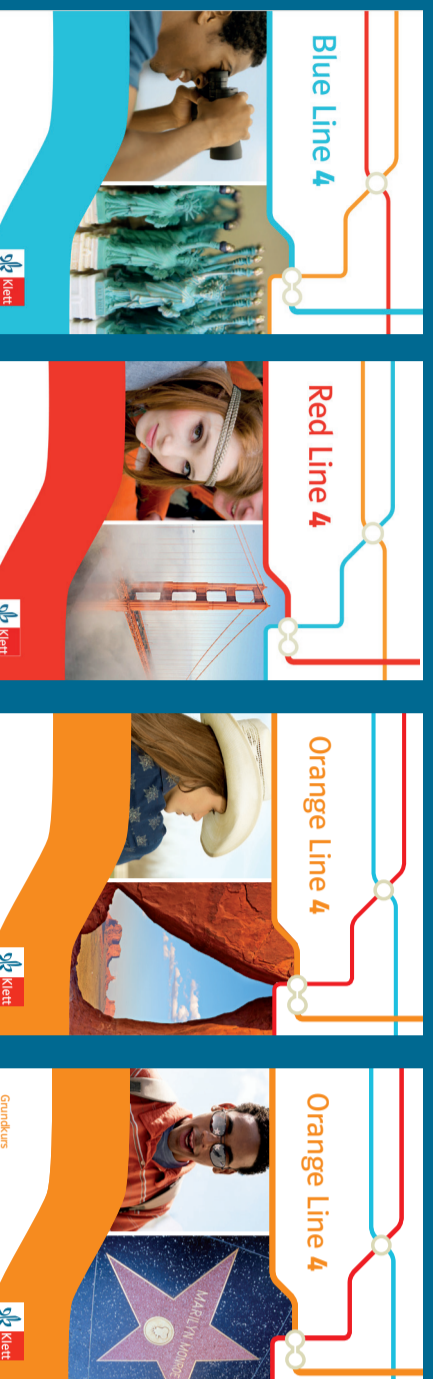

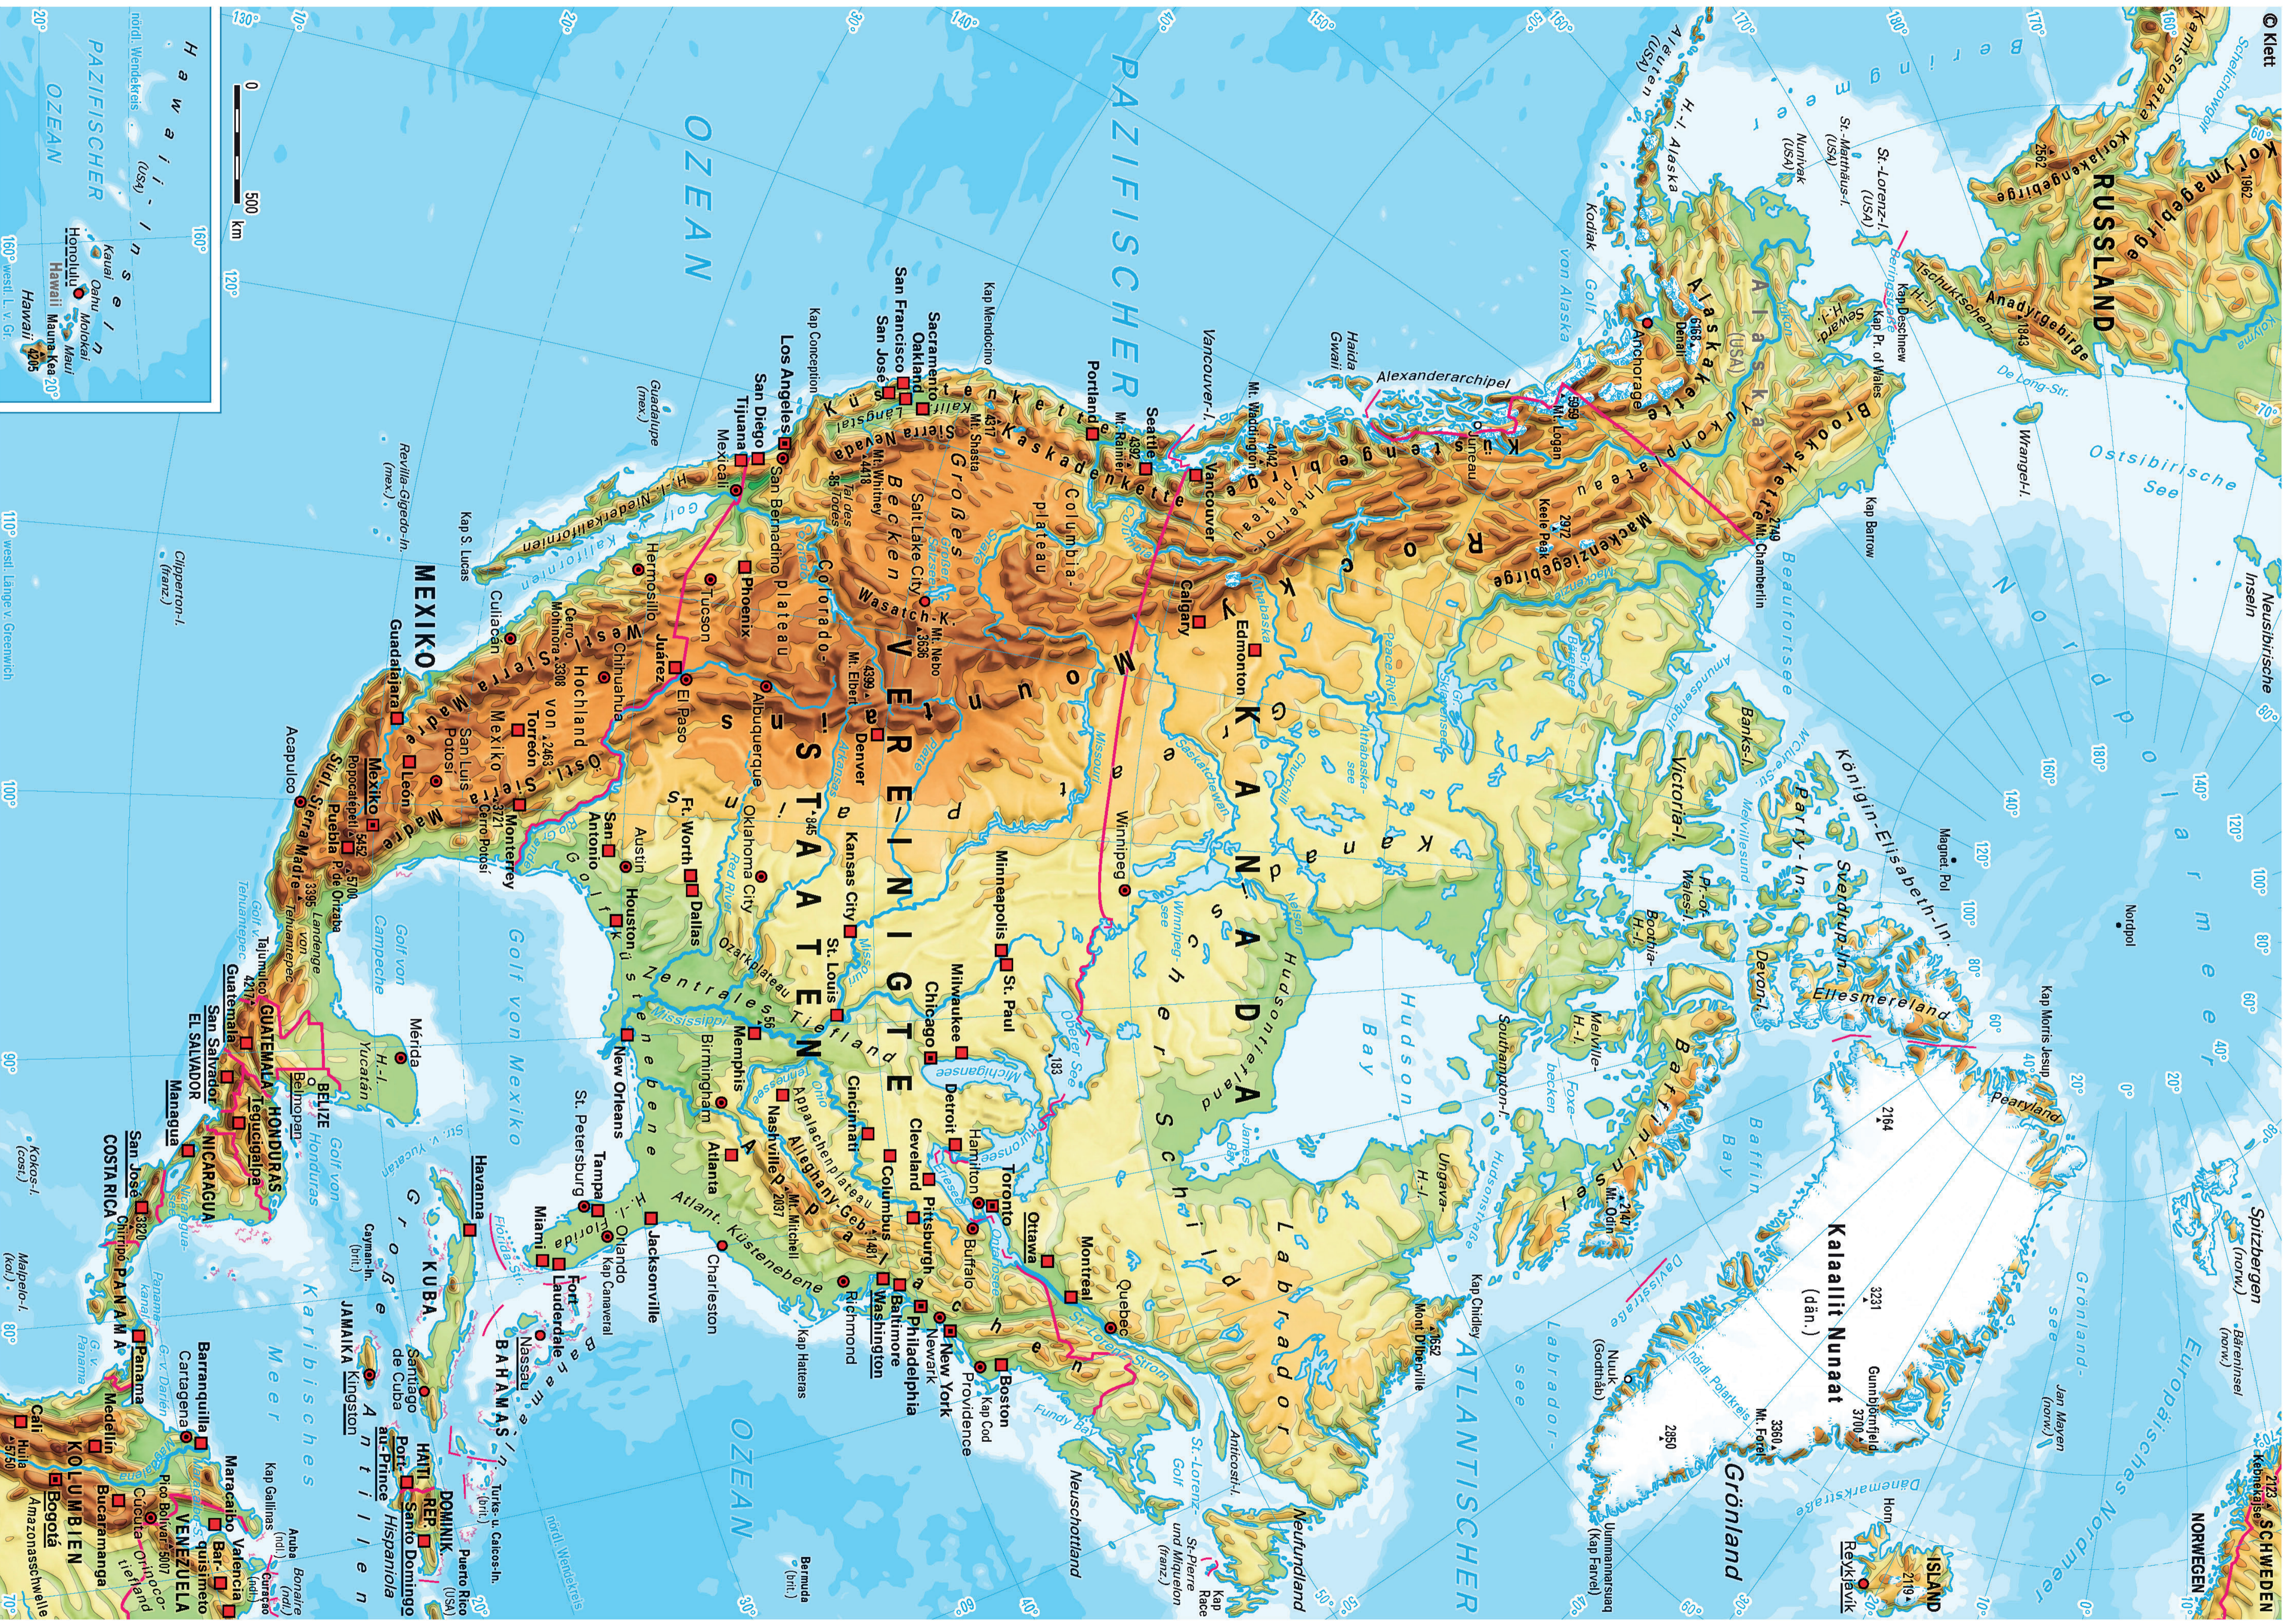

1
 Every year in fall the New England states shine in bright colors.
