

# Let's make a game!

1

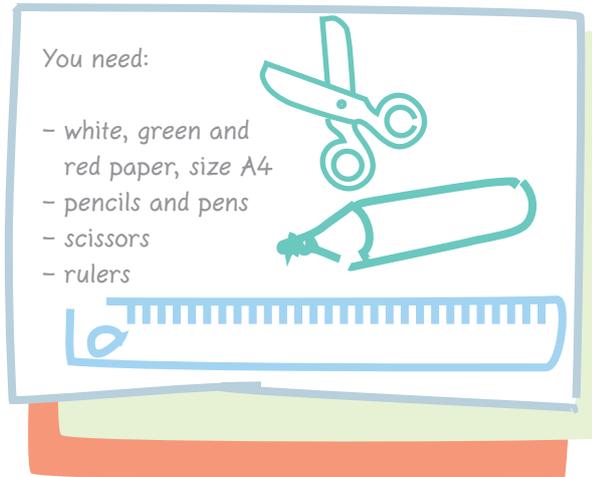

## In class: Choose eight places in town.

You can use examples from pages 90 and 91 in your book.

2

## Get into five groups:

1. Make the place cards.
2. Make the 'Good luck' cards.
3. Make the 'Bad luck' cards.
4. Make the rules.
5. Make the game board.

3

## Make a game.

### Group 1 Five steps to make the place cards

You need white paper (size A4), pencils, rulers, scissors and pens.

1. Cut out 32 cards. You can cut one piece of paper into eight.
2. Make four sets. Each set has got eight cards.
3. Draw one of the eight places on each card.
4. Write the place name in English on the card too.
5. Do the same with the other three sets.

### Group 2 Five steps to make 'Good luck' cards

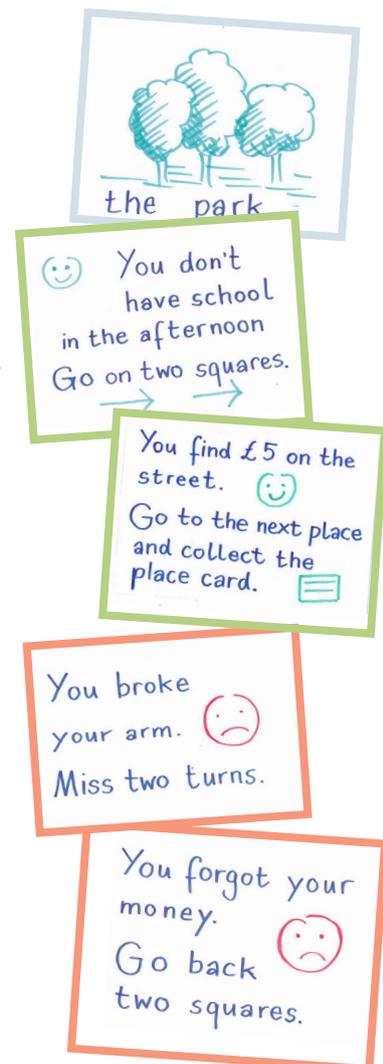

You need green paper (size A4), pencils, rulers, scissors and pens.

1. Cut out eight cards. You can cut one piece of paper into eight.
2. What is 'good luck' for you? Think of eight situations.
3. Write down one situation on each card.
4. Decide how the player can go on. Make a list of eight ways.
5. Add one sentence to each card.

### Group 3 Five steps to make 'Bad luck' cards

You need red paper (size A4), pencils, rulers, scissors and pens.

1. Cut out eight cards. You can cut one piece of paper into eight.
2. What is 'bad luck' for you? Think of eight situations.
3. Write down one situation on each card.
4. Decide how you can stop a player. Make a list of eight ways.
5. Add one sentence to each card.

**Group 4** Five steps to make the rules

You need a poster, pencils, rulers, scissors and pens.

1. Read the rules.
2. Do you understand everything?  
You can use your dictionary for help.
3. Write the rules on a poster.
4. Check your sentences.
5. Draw pictures to make the rules clear.

**Group 5** Six steps to make the game board

You need white paper (size A4 with squares), pencils, rulers and felt-tips of different colours.

1. Divide the paper into squares: 9 x 6.  
Each square should be 3 cm x 3 cm.
2. Write 'Start' in the top left corner.
3. Draw the street to the town centre in the shape of a snail .
- Look at the picture for help.
4. Put the eight places in squares.  
You can draw pictures or write words.
5. Add eight 'Good luck' squares. Use a green 😊.
6. Add eight 'Bad luck' squares. Use a red 😞.

## Our town game

You need two to four players, a counter for each player and a coin. 

Here are the rules:

1. Put your counters on 'Start'.
2. Toss the coin and move your counter:  
heads = 2 squares, tails = 1 square
3. If you land on a 'place' - take the place card.  
If you land on a 'good luck' square or 'Bad luck' square - take a card, read it and do what it says. You can collect a place card if the 'good luck' card or 'Bad luck' card sends you there. You can't collect a place card if you don't land on it.
4. Pass the coin to the next player.
5. The game ends when the first player gets to the final square. The winner is the person who has the most place cards.

10

**4** Play the game.
