Hello Tim,

In the holidays I went to London with my parents. My mum hoped to see the \_\_\_\_\_ family because she thinks that Prince Harry would be a perfect boyfriend for my older sister. Well, we didn't see them, but my mum saw the personal \_\_\_\_\_ of the Queen. She says that he cooks all the meals for her. Of course we went to Madame Tussaud's. You can \_\_\_\_\_ that there was a big queue in front of it and we had to wait a long time. There was a group of \_\_\_\_\_ behind us, who were maybe 16 or 17 years old. Suddenly one of the girls \_\_\_\_\_ that her \_\_\_\_\_ wasn't in her rucksack. A \_\_\_\_\_ had stolen it. The girl was very sad.

Later that day we went to a \_\_\_\_\_ where my mum bought some very \_\_\_\_\_ clothes: a red dress and a blue and yellow hat. I think she's a little bit crazy. In the evening we went back to our \_\_\_\_\_. It was OK.

Well, now I am back home and I hope to hear from you soon.

Yours, Kevin

Dear Kevin,

Thanks for your e-mail. My holidays were exciting, too. I went to a museum, where you could see a film about a famous man. He \_\_\_\_\_ (a killer) many people. It was very scary. There were also some old \_\_\_\_\_ (to paint) and clever inventions by famous \_\_\_\_\_ (science). There were pictures of the people who \_\_\_\_\_ (designer) the first mobile phones. My father listened to a story about an old woman. She \_\_\_\_\_ (a robber) many people years ago. He thought it was very interesting.

Well, I'll write more soon.

Yours, Tim
