Announcer Unit five. Olivia's favourite place

Olivia Hi, I'm Olivia.

I live in Greenwich and I think it's a cool place. There is a big new shopping centre. I sometimes go there with my mum at the weekend. After shopping we often have sandwiches and a coke at the nice café near the park.

The park is next to the river. I often go there with my friends in the afternoon. We play football there. Sometimes I also go to the playground with my sister Lucy. She likes it there, but I don't think it's interesting. But my favourite place is the tree house in our garden. I often go there and read or listen to music.

But on the way to the farm it rained and rained. So then the girls got wet and I made the jokes. Look at the photos! Here you can see ...
