Hi!
My name is Terry. I'm twelve and I'm from London. I go to Thomas Tallis School. We always wear school uniform. I never come home from school before 4 o'clock. I sometimes go to football training after school.
My mum and I go swimming every Saturday morning and sometimes my friend Larry comes with us. On Sundays we often go for a walk or my uncle and aunt and my two cousins come to our house. I always play computer games with my cousins. And you? What do you do?
Bye, Terry

You can start like this:
Hello Terry!
My name is ... I'm ... and ...

4 Over to you!
