

### 1 The UN Millennium Development Goals

Choose an MDG and prepare a presentation about it!

You can use the report by the United Nations (online-link 104513-0304) to collect information. The texts in the report are rather difficult, but there are many graphs and maps that can help you to get the most important information.

UNDP Office of Communications

Your MDG: \_\_\_\_\_

a) Describe the exact aims of the MDG in your own words.

---

---

b) Name indicators with which the success of the goal can be measured.

---

---

c) Describe the situation at the moment. Say how far the aim is reached now in different parts of the world.

---

---

---

---

d) Do you think the goal can be reached until 2015? Give reasons.

---

---

---

Name: \_\_\_\_\_

Klasse: \_\_\_\_\_

Datum: \_\_\_\_\_

e) List measures that should be taken to reach the goal.

---
