Diktattext:

*This is Martin's room. There's a bed, a wardrobe and a desk in his room. There's a window, too. And I can see a poster on the wall. There's a desk. It's a nice desk. And there's a chair, too.*

*Martin's school bag is under the desk. And what's on the desk?*

*Ah, there's a book and a pencil. There's a cupboard.*

*A ball is in the cupboard. And who is on the sofa? Martin's cat is on the sofa.*
