

CSI California

Von Anja Hagenow, Bergneustadt

Can you find the murderer?

Many movies are produced in Hollywood, the place where the stars make dreams come true. Imagine a movie called CSI California: one or two famous people are the victims of a crime in California. Can you find out what the movie is about? Ask questions using the passive.

to stab

to shoot

to kill with a rope

to push out of the window

to push down the stairs

in the kitchen

in the bedroom

in the bathroom

in the garden
