

## Activity 2: Internet research – Shorty Award for Teen Activism

- 1  Find out about the Shorty Award for Teen Activism. You will find details on the website: <http://shortyawards.com/category/6th/teenactivism>. In pairs, choose one of the projects and briefly outline what it is and why it was nominated (you might need to research the project online). Then, as a class, decide which seven projects you would put on the shortlist and finally vote on the winner.
- 2 If there was an award like this in Germany, what kind of projects would you nominate? Give reasons for your answer.
