

### Activity 3: Internet research – the story continues

In this topic you have read about e-waste dumping in Agbogbloshie, Ghana, and the Rana Plaza garment factory disaster in Dhaka, Bangladesh. Choose one of these stories and find out what has happened since the article was written. Consider the following questions:

- Have there been any further developments since the article was written?
- Have any solutions been proposed?
- Is the topic still current and being written about?
- If not, why might this be the case?

Think about what you can do to raise awareness about it, both at school and in your community.
